The advertisement features two hands, one male (orange shirt) and one female (white shirt with red nail polish), each holding a smartphone. Both phones display the VitaGist app interface, which includes a user profile picture, a 'Hi' message, and social media-style icons (heart, speech bubble). The background is white, and there are navigation arrows (left and right) at the bottom. The VitaGist logo is in the top left corner, and a 'Sign in' button is in the top right. At the bottom left, there's a 'Get the App' section with links to the App Store and Google Play.

The screenshot shows the VitaGistDev application interface. On the left is a vertical sidebar with various icons. The main area has tabs for 'Key Contacts' and 'Others'. A search bar at the top says 'Search Family & Friends' with the input 'soundarya'. A modal window titled 'Relation Request' asks 'Are you sure to send Relationship request with the selected Entity ?' with 'Please accept the request!' below it. It has 'CANCEL' and 'SEND' buttons. In the background, there's a table with columns 'Entity Name' and 'Action'. The 'Entity Name' column lists 'soundz', 'digi', and 'happy'. The 'Action' column contains three dropdown menus labeled 'Action ▾'.

This screenshot shows the same application interface as above, but the central modal is now titled 'Add Entity'. It contains fields for 'Entity Name *' (filled with 'canYam'), 'Entity Address *' (filled with '#21 can street'), 'Relationship/Account Id.' (filled with '123345678900'), 'Entity Identification Number.' (filled with '222'), and an 'Others:' section containing 'Ok'. A 'Save' button is at the bottom right of the modal. The background elements, including the sidebar, search bar, and table, remain the same.

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/connections'. The interface includes a vertical sidebar with icons for home, list, person, heart, gear, alarm, clock, and refresh. At the top, there are tabs for 'Key Contacts', 'Family & Friends', 'Legal & Finance', and 'Others'. Below the tabs are buttons for 'Add Connection' and 'View Connection', and a search bar with placeholder text 'Search..'. A magnifying glass icon is also present. The main content area displays a table with columns for 'Entity Name', 'Entity Address', and 'Action'. The data rows are:

Entity Name	Entity Address	Action
soundz	soundz home	Action ▾
digi	digi home	Action ▾
happy	happy home	Action ▾
God	God home	Action ▾
soundarya	sound homes of	Action ▾
sss	#s home 120	Edit Delete
canYam	#21 can street	Action ▾

The screenshot shows the same 'VitaGistDev' application interface. The vertical sidebar and top navigation are identical. The main content area now displays a table with columns for 'Name ↑', 'Status ↑', and 'Action'. The data rows are:

Name ↑	Status ↑	Action
whee Jung	Accepted	Action ▾
Hwasa Ahn	Accepted	Action ▾
Soundarya Vembaiyan	Accepted	Action ▾
Soundarya Vembaiyan	Accepted	Action ▾

The screenshot shows a web browser window for the VitaGist Dev application. The title bar reads "VitaGistDev" and the address bar shows "localhost:4200/connections". The main content area is titled "Connections". On the left, there is a vertical sidebar with icons for Home, Profile, Contacts, Heart, Settings, Bell, and Logout. Below the sidebar, four categories are displayed: "Key Contacts" (person icon with a plus), "Family & Friends" (people icon), "Legal & Finance" (briefcase icon), and "Others" (folder icon). Below these categories is a search bar with the placeholder "Search.." and a magnifying glass icon. Two buttons are present: "Add Connection" (blue) and "View Connection" (grey). A table lists one connection entry:

Name ↑	Status ↑	Action
UdayEntityTestAccountDevI	Accepted	Action ▾

This screenshot shows the same web browser window and sidebar as the first one. The main content area is also titled "Connections". The table below the search bar is empty, indicating no connections have been added.

The screenshot shows a web-based health dashboard titled "Health". On the left, a vertical sidebar contains icons for Home, Bookmarks, Profiles, Tab, Window, Help, and a plus sign for adding new items. The main content area features a grid of cards and icons. At the top right are icons for Pulse (lungs), Weight (scale), Blood Pressure (heart), Temperature (thermometer), and Blood Glucose (blood drop). Below these are three large cards: "Health info" (with a plus icon), "Devices" (with a cube icon), and "Care plan" (with a heart in hand icon). In the center, there are three smaller cards: "BMI" (23.0, healthy range 18.5 to 24.9), "Pulse" (50 SpO2%, 12-27-2022 10:34 AM), and "Blood Pressure" (Systolic 21 mm Hg, Diastolic 22 mm Hg, healthy range 80 to 250). A teal "Add" button is located at the bottom right.

This screenshot shows the same health dashboard as above, but with a modal window open over the "Pulse" card. The modal title is "Pulse . SpO2%". It contains a text input field with "121" and a note "Enter Pulse *". Below it is a date picker set to "1/18/2023". Further down are dropdown menus for "HH * 11", "MM * 42", and "AM/PM * AM". A note "Last Reading: 6 days ago" is displayed. At the bottom right of the modal is a green "Save" button. The rest of the dashboard and sidebar are visible in the background.

The screenshot shows the VitaGistDev application running in a Chrome browser on a Mac OS X system. The main title bar reads "VitaGistDev" and "localhost:4200/health". The interface features a vertical sidebar on the left with various icons for navigation. The central area is titled "Health". A modal window titled "Blood Glucose . mg/dl" is open, prompting the user to enter a value of "89". Below this, there are tabs for "Fasting", "Before Meal", and "After Meal", with "Before Meal" selected. A date picker shows "1/18/2023". To the right of the modal, a summary card displays "Blood Glucose" at "89 mg/dl" with a note about the range "120 to 250". On the far left, a "Blood Pressure" card shows "Systolic 98 mm Hg" and "Diastolic 77 mm Hg" with a healthy range of "100 to 250". On the far right, there are six small cards: "Pulse" (lungs icon), "Weight" (scale icon), "Blood Pressure" (heart icon), "Temperature" (thermometer icon), and "Blood Glucose" (blood drop icon). A green "Save" button is visible at the bottom of the modal. A "+" Add button is located on the right side of the main content area. The Mac OS X dock at the bottom contains icons for various applications like Mail, Safari, and Finder.

The screenshot shows the VitaGistDev application running in a Chrome browser on a Mac OS X system. The main title bar reads "VitaGistDev" and "localhost:4200/healthdashboard". The interface features a vertical sidebar on the left with various icons for navigation. The central area is titled "My Health Profile". It contains several input fields with validation messages: "Gender * Female", "Ethnicity * American Indian", "Height * 100", "Weight * 23", and "Date Of Birth * 12-04-1999" with a date picker icon. Below these are dropdowns for "Blood Group * O +ve" and "Medical Condition" (with a plus icon). Under "Medical Condition", there are two entries: "Acne" and "Allergy", each with a plus icon. At the bottom right is a "GoBack" button with a double arrow icon. The Mac OS X dock at the bottom contains icons for various applications like Mail, Safari, and Finder.

The screenshot shows a list of medical conditions on a web browser. On the left is a vertical sidebar with icons for home, profile, history, and other settings. The main content area has a header "Medical Condition". Below it is a list of items:

- Acne
- Allergy
- All
- Medications
- Medic
- Family Medical History
- Fast Facts
- Insurance
- Insur
- Immunization

Each item has a right-pointing arrow and a plus sign icon. At the bottom right are "Cancel" and "Save" buttons, and a "GoBack" button.

This screenshot shows a detailed view of a medical condition entry. The sidebar and header are identical to the previous screen. A modal dialog box is open in the center, titled "Medical Condition". It contains the following fields:

- Date Of Birth *: 12-04-1999 (with a calendar icon)
- Blood Group *: O +ve
- Medical Condition: A dropdown menu showing "Breast Abscess".
- Year of Diagnosis *: 1/21/2023 (with a calendar icon)
- Comment: A text input field containing "Abscess".

A red "X" icon is in the top right corner of the modal. At the bottom right of the modal is a green "Save" button.

This screenshot shows the 'healthdashboard' section of the VitaGistDev application. On the left is a vertical sidebar with icons for Home, Profile, Medical History, Health, Devices, Notifications, and Logout.

The main content area contains the following fields:

- Weight ***: 23
- Date Of Birth ***: 12-04-1999
- Blood Group ***: O +ve
- Medical Condition** (with a plus icon):
 - Acne
 - Breast Abscess
- Allergy** (with a plus icon):
 - All
- Medications** (with a plus icon):
 - Medic
- Family Medical History** (with a plus icon)

A 'GoBack' button is located at the bottom right of the form area.

This screenshot shows the 'devices' section of the VitaGistDev application. On the left is a vertical sidebar with icons for Home, Profile, Medical History, Health, Devices, Notifications, and Logout.

Devices

Manual Devices

- Blood Pressure** (with a trash icon)
- Weight** (with a trash icon)
- Blood Glucose** (with a trash icon)

BlueTooth Devices

A 'GoBack' button is located at the bottom right of the devices section.

The screenshot shows a web browser window with the title "VitaGistDev" and the URL "localhost:4200/devices". The main content area displays a "Devices" page with a sidebar containing various icons. A modal window titled "Manual Devices" is open, listing five items: "Blood Glucose", "Blood Oxygen", "Blood Pressure", "Weight", and "Temperature". The "Temperature" item has a checked checkbox. A green "Save" button is at the bottom of the modal. Below the modal, the text "BlueTooth Devices" is visible.

This screenshot shows the same web application after the manual devices have been saved. The "Manual Devices" modal is no longer present. Instead, the main "Devices" page lists the saved items: "Blood Pressure", "Weight", "Temperature", and "Blood Glucose", each with a small trash icon to its right. The text "BlueTooth Devices" is also visible below the device list.

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/careplan'. The title bar includes standard OS X icons for window control and system status. The main content area has a light gray header with the text 'Care Plan' and a search bar containing 'Search..'. Below this is a large button labeled 'Common Care Plan' with a heart and ECG icon, and a blue arrow icon. To the left of the main content is a vertical sidebar with ten icons: a checkmark, house, list, person, heart, eye, gear, bell, clock, and user. The URL in the address bar is 'localhost:4200/careplan'.

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/viewcareplan/3102'. The title bar includes standard OS X icons for window control and system status. The main content area has a blue header with the text 'Care Plan's' and a blue 'Goals' section header. Below this are three goal cards, each with a circular icon, a goal name, and a description. The first card is 'Follow the Diet and exercise plans consistently.' The second is 'Increase and maintain flexibility.' and the third is 'Increase and maintain Aerobic endurance.'. The URL in the address bar is 'localhost:4200/viewcareplan/3102'.

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/viewcareplan/3102'. The title bar includes standard OS X icons for window control and system status. The main content area has a blue header with the text 'Care Plan's' and a blue 'Goals' section header. Below this are three goal cards, each with a circular icon, a goal name, and a description. The first card is 'Follow the Diet and exercise plans consistently.' The second is 'Increase and maintain flexibility.' and the third is 'Increase and maintain Aerobic endurance.'. The URL in the address bar is 'localhost:4200/viewcareplan/3102'.

The screenshot shows a web browser window for 'VitaGistDev' at 'localhost:4200/notifications'. The title bar and system status icons are identical to the previous screenshot. The address bar shows the URL 'localhost:4200/notifications'. The main content area has a light gray background. On the left, there is a vertical sidebar with the same ten icons as the previous screenshot. The main content area features a section titled 'Notifications' in bold teal text. At the top, there is a search bar with the placeholder 'Search..'. To the right of the search bar is a magnifying glass icon. The main list area is titled 'Message' and contains a series of notifications, each with a checkmark icon and a red 'Delete' button to its right. The notifications are:

- Your L2 is about to expire
- Your L2 is about to expire
- Your O2 is about to expire
- Your O2 is about to expire
- Your O2 is about to expire
- Your Health check is about to expire
- Your hhh is about to expire
- Back to SV
- Hello world
- Remind me to do
- Blessfully
- UdayEntityTestAccountDev1, a professional firm, is requesting you to confirm and accept the relationship.

The screenshot shows a web browser window with the title "VitaGistDev" and the URL "localhost:4200/reminder". The page has a header with a search bar and a magnifying glass icon. On the left, there is a sidebar with various icons. The main content area is titled "Reminders" and displays a table with columns: "Message", "Target Date", and "Action". The table contains five rows of data:

Message	Target Date	Action
Morning hello	Oct 28, 2022	
Hello everyone	Oct 31, 2022	
Blessfully	Nov 09, 2022	
Hello world	Nov 18, 2022	
Bac to Id	Dec 17, 2022	

A green "Add +" button is located at the bottom right.

This screenshot shows the same web application interface, but with a modal window open in the center. The modal is titled "Add Reminders". It has two input fields: "Message: * zzzzzz" and "Target Date * 1/31/2023". At the bottom of the modal is a green "Save" button. The background of the main content area is slightly dimmed.
