The screenshot shows the 'Documents' section of the VitaGist Dev application. On the left, there is a vertical sidebar with various icons. The main area displays a grid of five categories: 'Identity' (person icon), 'Health' (cross and stethoscope icon), 'Legal & Finance' (briefcase icon), 'Personal' (two people icon), and 'Others' (folder icon). Below this is a table listing documents with columns: 'Document Name', 'Uploaded on', 'Doc id', and 'Expiry date'. The table contains three rows: AADHAR Card (Oct 13, 2022, 123412341234, NA), Passport (Dec 20, 2022, 231312, NA), and PAN Card (Jan 18, 2023, 1221309123, NA). An 'Add Documents' button is at the top, and a 'View Documents' button is next to it. A search bar with placeholder 'Search..', a magnifying glass icon, and an 'Action' dropdown menu are also present.

The screenshot shows the 'Connections' section of the VitaGist Dev application. Similar to the Documents page, it has a vertical sidebar with icons on the left. The main area features a grid of four categories: 'Key Contacts' (person plus icon), 'Family & Friends' (two people icon), 'Legal & Finance' (briefcase icon), and 'Others' (folder icon). Below is a table with columns: 'Entity Name', 'Entity Address', and 'Action'. The table lists four entities: soundz (soundz home), digi (digi home), happy (happy home), and God (God home). Each row includes an 'Action' dropdown menu. At the top, there are 'Add Connection' and 'View Connection' buttons, a search bar with placeholder 'Search..', and a magnifying glass icon.

The screenshot shows the VitaGistDev application interface. On the left is a vertical sidebar with various icons. In the center, there's a search bar labeled "Search Family & Friends" with the input "soundarya". A modal window titled "Relation Request" is open, asking "Are you sure to send Relationship request with the selected Entity ?" with "Please accept the request!!" in a text area. It has "CANCEL" and "SEND" buttons. Below the search bar, there's a section for "Entity Name" with a dropdown menu showing "soundz", "digi", and "happy". To the right, there's a "Connections" section and a "Others" section. The "Action" column contains three "Action" dropdown menus.

This screenshot shows the same application interface as the first one, but with a different modal window. The "Add Entity" dialog is open, prompting for "Entity Name: \* canYam", "Entity Address: \* #21 can street", "Relationship/Account Id: \* 123345678900", and "Entity Identification Number: \* 222". There's also an "Others:" field containing "Ok". A "Save" button is at the bottom right of the dialog. The rest of the interface is identical to the first screenshot, including the sidebar and other sections.

The screenshot shows a list of entities categorized under 'Key Contacts'. Each entity has a name, address, and an 'Action' dropdown menu.

Entity Name	Entity Address	Action
soundz	soundz home	Action ▾
digi	digi home	Action ▾

The screenshot shows a web browser window for the VitaGist Dev application. The title bar reads "VitaGistDev" and the address bar shows "localhost:4200/connections". The main content area is titled "Connections". On the left, there is a vertical sidebar with icons for Home, Profile, Contacts, Heart, Settings, Notifications, and Logout. Below the sidebar, four categories are displayed: "Key Contacts" (person icon with a plus), "Family & Friends" (people icon), "Legal & Finance" (briefcase icon), and "Others" (folder icon). Below these categories is a search bar with the placeholder "Search.." and a magnifying glass icon. Two buttons are present: "Add Connection" (green) and "View Connection" (grey). A table below the search bar lists connections. The columns are "Name ↑", "Status ↑", and "Action". One row is visible, showing "UdayEntityTestAccountDev" in the Name column, "Accepted" in the Status column, and a dropdown menu labeled "Action" in the Action column.

This screenshot shows the same web browser window and sidebar as the previous one. The main content area is also titled "Connections". The table below the search bar is now empty, indicating no connections have been added or accepted yet.

The screenshot shows a web-based health dashboard titled "Health". On the left, a vertical sidebar contains icons for Home, Bookmarks, Profiles, Tab, Window, Help, and a plus sign for adding new items. The main content area features several cards:

- Health info**: Shows BMI (23.0), Weight (23 kg), and Height (100 cm).
- Pulse**: Shows SpO2% (50) and timestamp (12-27-2022 10:34 AM).
- Blood Pressure**: Shows Systolic (21 mm Hg), Diastolic (22 mm Hg), and timestamp (12-28-2022 03:42 PM).
- Care plan**: Represented by a heart icon.
- Pulse**: Represented by a lungs icon.
- Weight**: Represented by a scale icon.
- Blood Pressure**: Represented by a heart rate icon.
- Temperature**: Represented by a thermometer icon.
- Blood Glucose**: Represented by a blood drop icon.

A teal "Add" button is located in the bottom right corner.

This screenshot shows the same dashboard as above, but with a modal window open over the "Pulse" card. The modal is titled "Pulse . SpO2%" and contains the following fields:

- Enter Pulse \*: 121
- Choose a date \*: 1/18/2023
- HH \*: 11
- MM \*: 42
- AM/PM \*: AM
- Last Reading: 6 days ago
- Save button

The background cards show updated data: BMI (24.5), Weight (201 lbs), and Height (6' 4"). The "Blood Pressure" card also shows updated values: Systolic (98 mm Hg) and Diastolic (78 mm Hg).

The screenshot shows a web-based health dashboard titled "Health". On the left, there's a vertical sidebar with icons for Home, Profile, Health Info, Blood Pressure, Blood Glucose, Heart Rate, Weight, Blood Pressure, Temperature, and Blood Glucose. The main area displays a "Blood Glucose" entry form with a value of 89 mg/dl. Below it is a summary of blood pressure readings: Systolic 98 mm Hg (Healthy Range: 130 to 250), Diastolic 77 mm Hg (Healthy Range: 80 to 250), and another entry for Systolic 78 mm Hg (Healthy Range: 80 to 250). A "Save" button is visible at the bottom of the glucose form.

The screenshot shows the "My Health Profile" page. It includes fields for Gender (Female), Ethnicity (American Indian), Height (100), Weight (23), Date Of Birth (12-04-1999), and Blood Group (O +ve). Below these, there are sections for Medical Condition, Acne, Allergy, and a final "All" section. Each of these sections has a "+ Add" button. At the bottom right, there is a "GoBack" button.

The screenshot shows a list of medical conditions on a web browser. On the left is a vertical sidebar with icons for home, profile, history, heart, notifications, clock, and refresh. The main content area has a header "Medical Condition". Below it is a list of items:

- Acne
- Allergy
- All
- Medications
- Medic
- Family Medical History
- Fast Facts
- Insurance
- Insur
- Immunization

Each item has a right-pointing arrow and a plus sign icon. At the bottom right are "Cancel" and "Save" buttons, and a "GoBack" button.

This screenshot shows a detailed view of a medical condition entry. The sidebar and header are identical to the previous screen. A modal dialog box is open in the center, titled "Medical Condition". It contains the following fields:

- Date Of Birth \*: 12-04-1999 (with a calendar icon)
- Blood Group \*: O +ve
- Medical Condition: A dropdown menu showing "Breast Abscess".
- Year of Diagnosis \*: 1/21/2023 (with a calendar icon)
- Comment: A text input field containing "Abscess".

At the bottom of the modal is a green "Save" button. The background of the main dashboard shows the same list of medical conditions as the first screenshot.

This screenshot shows the 'healthdashboard' section of the VitaGistDev application. On the left is a vertical sidebar with icons for Home, Profile, Medical History, Health, Devices, Notifications, and Logout.

The main content area displays the following fields:

**BlueTooth Devices**

A 'GoBack' button is located at the bottom right of the page.

The screenshot shows a web browser window with the address bar displaying "localhost:4200/devices". The main content area has a sidebar on the left with various icons. The main title is "Devices". Below it, there are two sections: "Manual Devices" and "BlueTooth Devices". A modal window titled "Manual Devices" is open, listing five items with checkboxes: "Blood Glucose", "Blood Oxygen", "Blood Pressure", "Weight", and "Temperature". The "Temperature" checkbox is checked. A green "Save" button is at the bottom of the modal. In the "BlueTooth Devices" section, there are four items listed without checkboxes: "Blood Pressure", "Weight", "Temperature", and "Blood Glucose". A "GoBack" button is located at the bottom right.

This screenshot shows the same web application after the manual devices have been saved. The "Manual Devices" modal is no longer visible. The "BlueTooth Devices" section now includes the previously added items: "Blood Pressure", "Weight", "Temperature", and "Blood Glucose", each with a small trash can icon to its right. The rest of the interface remains the same, including the sidebar and the "GoBack" button.

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/careplan'. The title bar includes standard Mac OS X icons for window control and system status. The main content area has a light gray background. On the left is a vertical sidebar with ten icons: a checkmark, a house, a clipboard, a person, a heart, a gear, a bell, a clock, a user, and a square. The main content area features a dark blue header bar with the text 'Care Plan' in white. Below it is a search bar with the placeholder 'Search..'. To the right of the search bar is a magnifying glass icon. The central part of the screen displays a card with a dark blue background containing a white heart icon with a pulse line and a white stethoscope icon. The text 'Common Care Plan' is displayed next to the icons, followed by a dark blue button with a white right-pointing arrow.

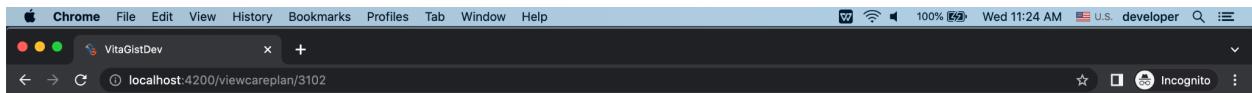

The screenshot shows a web browser window for 'VitaGistDev' on 'localhost:4200/viewcareplan/3102'. The title bar includes standard Mac OS X icons for window control and system status. The main content area has a light gray background. The title 'Care Plan's' is at the top in blue. Below it is a section titled 'Goals' in blue. There are three items listed, each with a circular icon containing a camera-like symbol:

- Follow the Diet and exercise plans consistently.** Follow the Diet and exercise plans consistently.
- Increase and maintain flexibility.** Increase and maintain flexibility.
- Increase and maintain Aerobic endurance.** Increase and maintain Aerobic endurance.
